SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for  
revisions to the Rehabilitation Plan and Award, Form OWCP-16, information collection.  
Vocational rehabilitation counselors use Form OWCP-16 to submit an agreed upon  
rehabilitation plan for OWCP approval. The form also documents any OWCP payment  
award for approved services. This information collection has been classified as a  
revision, because of format changes to allow respondents more room to provide  
responses, to make a minor clarification as to which entities must respond, and to  
enhance various disclosures to respondents. The Federal Employees' Compensation Act  
and Longshore and Harbor Workers' Compensation Act authorize this information  
collection. See 5 U.S.C. 8103, 8193; 33 U.S.C. 907.

This information collection is subject to the PRA. A Federal agency generally  
cannot conduct or sponsor a collection of information, and the public is generally not

required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0045. The current approval is scheduled to expire on July 31, 2014; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the Federal Register on March 27, 2014 (79 FR 17193).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0045. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected;
- and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
